EMERGENCY RESPONSE

Honorable William Kauffman
Chairperson
St. Clair County Brownfield Redevelopment Authority
200 Grand River Avenue, Suite 202
Port Huron, MI 48060-4017

Dear Mr. Kauffman:

On behalf of the United States Environmental Protection Agency (EPA), I am pleased to congratulate you and confirm that the St. Clair County Brownfield Redevelopment Authority was selected as one of the entities EPA will begin negotiations with to award a cooperative agreement for an assessment grant. The St. Clair County Brownfield Redevelopment Authority submitted an outstanding grant proposal, and we deeply appreciate the tremendous commitment of time and energy that went into its preparation.

Through the Small Business Liability Relief and Brownfields Revitalization Act of 2002, EPA is working to help states and communities around the country clean up and revitalize brownfield sites. We fully expect that these brownfield projects will provide benefits to the environment and economy of local communities. Deborah Orr, your Regional Brownfields Coordinator [REDACTED], will work closely with the St. Clair County Brownfield Redevelopment Authority to negotiate the cooperative agreement prior to the grant award.

We look forward to working with your staff on the Brownfields program in continued Federal, state, and local government cooperation.

Sincerely,
